Flat fee of \$1890 for internal clients and \$2205 for external clients, includes the use of up to two rooms, additional rooms are charged at standard rates.

10% surcharge on Sundays for all catering.

Discount Structure

Book 10 Theatre or Conference Rooms for a full day, within a 6 month period and get the 11th booking for free. Free hire is for one full day hire of the same style room (valid for 6 months from the date of your 10th booking).

¹ Gigabit Ethernet is 100 times faster than regular 10Mbps Ethernet and 10 times faster than 100Mbps Fast Ethernet. The principal benefits of Gigabit Ethernet are increased bandwidth for higher performance and elimination of bottlenecks

² Fair Trade ensures third world growers are given good prices for their products and profits are utilised to ensure health care, education and infrastructure development
